INTRODUCING: ALIGN CONCEPTS.

Established in 2010 by Builder Lachlan McKenna, Align Concepts Pty Ltd stands out as a leading residential builder in Melbourne. We excel in custom architectural new builds and renovations, seamlessly blending innovative design with top-tier craftsmanship.

At Align Concepts, we are committed to upholding integrity in every project we handle. We prioritise clear, open communication, so you are always in the loop and confident throughout your building journey.

We believe in the power of collaboration. That's why we take the time to deeply understand our clients' vision and goals, making sure the building process is not just smooth but also an exciting and rewarding experience for everyone involved.
